**Program Description:**

The program will support urban, small city and rural community redevelopment efforts by providing financial incentives for catalytic, shovel-ready projects with emphasis on, but not limited to, downtown community driven efforts. Funded activities should lead to measurable benefits in job opportunities, property values and/or leveraged investment by local and private partners.

**Eligibility Requirements:**

**Definitions:**

“Economically Distressed” means a county or municipality so designated by WEDC by considering the most current area and state data available for the following indicators:

- Unemployment rate
- Percentage of families with incomes below the poverty line
- Median family income
- Median per capita income
- Average annual wage
- Manufacturing assessment values by county
- Other significant or irregular indicators of economic distress – such as a natural disaster, or plant closings and layoffs

“Opportunity Zone” means a designated qualified opportunity zone in the State of Wisconsin under Internal Revenue Code § 1400Z-1.

Municipalities (including counties, cities, villages, and towns), tribal entities, and other governmental authorities designated by a municipality to apply on its behalf will be eligible to receive grant assistance under the following conditions:

- Grant recipients must provide a minimum 3:1 matching investment in project costs; projects located in an Economically Distressed community or Opportunity Zone may provide a minimum 1:1 matching funds.

- No more than 50% of eligible project costs may consist of other state and/or federal grant sources, excluding federal ARPA funds; exceptions can be made for projects utilizing federal ARPA funds.
- Applicants must provide a signed resolution by the governing elected body authorizing the submittal of an application to the CDI Grant Program
- Generally, applicants may only receive one CDI grant per fiscal year.
- An applicant that was impacted by an event that has resulted in a State or Federal Disaster Declaration within the 24 months prior to submitting an application may receive funds for mitigation or preparedness planning and will receive additional considerations including the following:
  - WEDC may reduce or waive the match requirements
  - Applicants must demonstrate that other funding mechanisms (CDBG, WI Disaster Fund, FEMA, etc.) have been evaluated and fully utilized before applying for WEDC CDI Grant funding

Eligible activities are:

- Mixed-use development (not exclusively residential)

Activities ineligible for grant assistance or match include, but are not limited to:

WEDC may take the following into account when considering a CDI Grant:

- Impact on the community
- Located in an Economically Distressed community
- Financial justification
- Previous planning efforts
- Readiness to proceed
- Involvement of public-private partnerships

- Demonstrates involvement of diverse businesses, including women and veteran-owned contractors, in eligible project costs
- Primary building occupant is a diverse-, woman-, or veteran-owned business
- Primary building purpose serves the communities of diverse-, women-, veteran-, or low and moderate income individuals
- Other factors determined by WEDC

### **Incentives and Available Funding (FY22): \$8,250,000**

The maximum award generally does not exceed \$250,000 unless the request for funds is for a project that, due to the size and scope of the investment, clearly justifies an award beyond normal parameters.

No more than one grant per year shall be located within the boundary of a municipality.

At least 50% of the funds will be awarded to Economically Distressed communities.

### **Activities and Expected Outcomes:**

Assist 35 communities and achieve a 15:1 leverage of other investment.

### **Performance Reporting:**

Recipients will be required to annually submit a performance report documenting capital investment, assessed taxable property values, as well as any other contract deliverable.

WEDC annually selects awards on a sample basis for an audit. All backup documentation to the performance report is required to be maintained for the life of the award.

WEDC may impose additional reporting requirements to evaluate project performance and to ensure compliance with contract deliverables.

### **Application and Awards Process:**

The CDI program has a continuous application process. Applicants for a CDI grant should complete an application through an Account Manager. The completed application will be assigned to an underwriter and will go through the award review process.

For more information on application review, internal process, and award distribution, please refer to WEDC's award administration policies and procedures.
