Emergency Assistance Program

The CDBG Emergency Assistance Program (EAP) funds assist local units of government in addressing public facility/infrastructure, emergency housing, and business assistance needs resulting from natural or manmade disasters.

Public Facility/ Infrastructure Assistance

CDBG-EAP public facility assistance is available to communities where 51% or more of the population is low-to-moderate income (LMI) or where the activity will benefit LMI households.

Funds are awarded as a grant, requiring a 25% local match for the total project expense.

Eligible repair projects include:

- Curbs and gutters
- Water, sewer, and wastewater treatment facilities
- Streets and sidewalks
- Electrical systems

Ineligible projects:

- Government buildings
- Public works buildings
- Parks

Housing Rehabilitation Assistance

CDBG-EAP housing assistance is available to eligible homeowners and tenants whose primary residence has been damaged by a natural or manmade disaster. Funds are awarded as a grant.

Who can apply?

Local units of government—including counties, cities, towns, and villages—are eligible for assistance.

Individual homeowners or tenants must apply directly through their local municipal government.

Eligible repair projects include:*

- Foundations, façades, and roofs
- Electrical and HVAC repairs and replacements
- Water, sewer system, and water heater repairs

Ineligible projects:

- Repairs to vacation homes
- Repairs to storage sheds, outbuildings, and other non-dwelling units

*When necessary repairs exceed 51% of the pre-disaster Fair Market Value, acquisition/demolition/replacement of the home could occur.

Business Assistance

CDBG-EAP business assistance is available to eligible businesses that have been affected by a natural or manmade disaster. Funds may be awarded as a loan or a grant. To qualify, a business must demonstrate that:

- Damages are linked directly to a disaster event.
- They employ LMI individuals.
- CDBG-EAP assistance will result in creating new or maintaining existing LMI jobs.
- 51% of the jobs created and/or maintained must be held by LMI individuals.

Eligible projects include:*

- Building, water system, and sewer/septic repairs
- Equipment repair/replacement
- Provision of working capital
- Other expenses not covered by insurance claims

Ineligible projects:

- Repairs to dwelling units
