

## FOREST FIRE PROTECTION (FFP) GRANT

This list is not all-inclusive. It is meant to give an idea of item eligibility for reimbursement based on current interpretation of state statutes and administrative rules for the Forest Fire Protection (FFP) Grant Program as administered by the Department of Natural Resources. Any eligibility questions should be directed to the grant program manager listed on the last page of this document.

PERSONAL PROTECTIVE EQUIPMENT (PPE)	
Eligible	Ineligible
<p><b><u>NFPA 1977 Standard *(Must bear NFPA 1977 label)*</u></b></p> <ul style="list-style-type: none"> <li>• brush pants, maximum \$350 ea. (\$175 grant funds)</li> <li>• jumpsuits/coveralls maximum \$700 ea. (\$350 grant funds)</li> <li>• brush jackets, maximum \$350 ea. (\$175 grant funds)</li> <li>• hard hats/helmets, maximum \$100 ea. (\$50 grant funds)</li> <li>• wildland gloves, \$50 maximum (\$25 grant funds)</li> </ul>	bunker pants and coats and other standard issue clothing for fighting structural fires clothing/PPE for HazMat/EMT/Search & Rescue ops first aid kits flashlights: personal gloves: extrication, structural, non-leather heat sensors/strips helmets and ATV/UTV helmets items not specifically approved by the NFPA (e.g. bandanas and respirators) Personnel Accountability System-passport, tag or card systems PASS Alarms rehab misters Self-Contained Breathing Apparatus (SCBA) Scene Lighting vests: high visibility, ICS
<ul style="list-style-type: none"> <li>• boots, maximum \$200 per pair (\$100 grant funds) 10 pair maximum (Note, boots can cost more than \$200, but no more than \$200 will be considered grant eligible)</li> </ul>	
chainsaw chaps	
ear protection (plugs)	
fire shelters	
Firefighter Cleaning Wipes \$200 max (\$100 grant funds)	
goggles/safety glasses & cases	
helmet flashlights/headlamps, maximum \$100 ea. (\$50 grant funds)	
hot shields and masks/wildland-approved dust mask and filters, maximum \$100 ea. (\$50 grant funds)	
Nomex hoods and shrouds, maximum \$100 ea. (\$50 grant funds)	
personal compasses	
personal safety strobes (strobe only, incapable of producing steady beam of light)\$20 max ea/\$10 grant funds	
radio chest packs	
web belts for fire shelters	
TRAINING	
Eligible	Ineligible
DVDs - wildland fire training Wildland Fire Chainsaw Training \$2000 max (\$1000 grant funds) forest fire and ICS certified training and tuition practice fire shelter	electronic equipment: cameras, computers, DVD players, home theater systems, printers (including camera/photo printers), projectors/screens, TV's, VCR's LP gas simulator training prescribed burn training speaker fees structural/non-wildland fire training
PREVENTION & WILDLAND URBAN INTERFACE	
Eligible	Ineligible
brochures: forest fire prevention, wildland-urban interfaces firewise materials handouts for wildland fire posters: wildland fire themed signs: magnetic fire danger signs for vehicles Smokey Bear costume Smokey: fire danger signs, take Smokey home school project videos: forest fire prevention, wildland-urban interfaces	fire safety trailer with WUI considerations (county/area associations only) smoke detectors structural fire prevention materials

TOOLS/EQUIPMENT	
Eligible	Ineligible
back can/backpack pump	axes: fire, pick
belt weather kit/handheld weather instrument	backpack sprayers (like those used for herbicide application)
bolt cutters	binoculars
chainsaw brackets	canteens
chainsaw:	chainsaw GREATER than 60 cc displacement or 4.5 hp
<ul style="list-style-type: none"> <li>• LESS than 60cc displacement or LESS than 4.5 engine hp (wildland fire use only)</li> <li>• Electric chainsaw, plus two batteries per saw</li> </ul>	chainsaw: sharpening kit, replacement chains
DOT safety cans (Must be 5 gallon or less and DOT labeled)	<b>drones</b>
<ul style="list-style-type: none"> <li>• decals to label safety cans -fuel type</li> </ul>	dry hydrants: repair or maintenance of dry hydrants already in existence
drip torch: hand-held	<b>equipment for HazMat/EMT/Search &amp; Rescue operations (includes skid unit EMS seating)</b>
dry hydrant components and supplies for NEW installations only	equipment for structural fire fighting large, trailer-type pumps
equipment for fire suppression used to outfit ATV, RTV, UTV	<ul style="list-style-type: none"> <li>• compressed air foam systems permanently mounted on structural fire engines</li> <li>• high volume pumps primarily used for structural fires</li> <li>• high pressure fire suppression pumping systems or high pressure hoses</li> <li>• large, trailer-type pumps</li> <li>• thermal imaging devices/cameras</li> </ul>
<ul style="list-style-type: none"> <li>• NOT including: light bars, lettering, paint, windshield, roof, etc.</li> </ul>	fire line tape
foam and gels: application equipment and proportioners for use with USDA-approved Class A	flashlights: boxlight
foam and gels: USDA-approved Class A: no more than 50 gallons	flatbed assembly that attaches to vehicles/UTV/ATV/RTV
<b>• <a href="#">Approved Class A Foam List</a></b>	floodlights
foam systems permanently mounted on brush truck	foam delivery system that is non-USDA approved
foam: portable delivery equipment for Class A foam	foam: Class B, not USDA-approved Class A
forestry flagging	gear bags
fuseses	generators
hose reels	hose tester or hose washer
<b>hoses &amp; appliances: Diameter of 1" or LESS (No high pressure hoses)</b>	hoses/nozzles/appliances: Diameter GREATER than 1"
leaf blower/mister	hydrant wrench
nozzles: Diameter of 1" or LESS, maximum \$200 per nozzle (grant funds \$100)	hydrants for city water
<u>Pumps:</u>	Jerry Cans
<ul style="list-style-type: none"> <li>• 21 hp or lower</li> <li>• pressure not capable of exceeding 300 psi</li> <li>• primary use must be initial-attack suppression</li> </ul>	ladders
<b>slip-on/skid pumping units for vehicles (NO part of any high pressure skid-unit will be funded)</b>	laser thermometer/heat sensor guns
<ul style="list-style-type: none"> <li>• UTV/RTV/ATV slip-on pumping unit, maximum \$8000 (\$4000 grant funds)</li> <li>• Brush Truck slip-on pumping unit, maximum \$14,000 (\$7,000 grant funds) <ul style="list-style-type: none"> <li>• <u>Slip-on unit pumps requirements below:</u> <ul style="list-style-type: none"> <li>• 21 hp or lower</li> <li>• pressure not capable of exceeding 300 psi</li> <li>• primary use must be initial-attack suppression/ <b>NO SEATS ON SLIP ON UNIT</b></li> </ul> </li> </ul> </li> </ul>	laundry equipment
sprinkler kits	maintenance or replacement equipment (e.g. replacement winch cables, replacement chainsaw chains)
suction hoses to match pump	oxygen
tools: handtools used in wildland fire suppression	portable compressed air foam systems (CAFS)
tow straps	resource locator tracking system
wheel chocks	saw: ventilation (and parts, i.e. carbide tipped chains, depth gauge, power head), rescue
winches	scope for spotting
	tanks: portable
	tool hauling trailer
	tracks: ATV, RTV, UTV
	traffic signage/cones
	trailers for hauling ATV, RTV, UTV
	underground water tank
	water thief

COMMUNICATION EQUIPMENT	
Eligible	Ineligible
cell phone boosters for fire department-owned vehicles portable radio charger <b>lapel microphones, Maximum \$75 ea. (\$37.50 grant funds)</b> radio headsets - max \$300 (\$150 grant funds) - must be connected to portable radio radios: mobile, portable (including initial battery, warranty, installation and programming) <b>● LIMITS: 2 mobile, 2 portable- max \$2500 per radio (\$1250 grant funds)</b> <ul style="list-style-type: none"> <li>● Must include county fire and appropriate mutual aid frequencies including Fireground Blue</li> <li>● Must meet P25 conventional standard</li> </ul> radio reprogramming for DNR digital communication and monitoring: <ul style="list-style-type: none"> <li>● fire department radios, software, cable for radio reprogramming</li> <li>● MAX \$1,000 (grant funds \$500)</li> </ul> pagers and accessories max \$400 (\$200 grant funds) 5 pagers maximum	backup power systems for radio tower sites (including solar panels) battery replacements for radios and pagers existing repeater tower relocation existing tower maintenance fax machines/copiers/scanners maintenance or replacement equipment (e.g. batteries) mobile data terminals mobile phones (and related charges) pager reprogramming paging system with encoder/decoder repeaters: base station, vehicle siren system for community emergency warning
DRY HYDRANT INSTALLATION	
Eligible	Ineligible
Installation costs: excavation, site preparation, engine pad, signage <ul style="list-style-type: none"> <li>● <a href="http://dnr.wi.gov/topic/waterways/construction/dry_hydrants.html">http://dnr.wi.gov/topic/waterways/construction/dry_hydrants.html</a></li> <li>● <b>NOTE:</b> If awarded a grant, reimbursement costs for dry hydrant installation will only be authorized when appropriate documentation is submitted with the reimbursement request (exemption letter, permit approval, landowner letter)</li> </ul>	dredging costs easement legal fees electric pump-driven dry hydrant irrigation wells roads for dry hydrant access underground water tanks wells
MAPPING	
Eligible	Ineligible
GPS and installation maps: zone, high hazards wildland areas, water resources plat books	<b>GPS units with 2 way radios, cameras or other enhancements</b> numbering systems other mapping equipment PDAs software, computers, tablets
OFF-ROAD VEHICLES	
Eligible	Ineligible
ATV, RTV, UTV: primary use is wildland fire suppression Truck chassis tenders (tankers) w/tank capacity ≤ 1,000 gallons if equipped w/mounted pumps for off-road trucks: standard all-wheel drive, 1/2 to 5-ton capacity equipped to fight wildland fires vehicle wildland fire fighting preparations made immediately after acquisition <ul style="list-style-type: none"> <li>● paint</li> <li>● identification letters/numbers</li> <li>● truck brush guards</li> <li>● truck bumpers</li> <li>● truck compartments</li> </ul>	<b>light bars or sirens on initial-attack brush trucks or UTVs</b> tenders (tankers) not equipped for off-road tenders (tankers) w/tank capacity GREATER than 1,000 gallons tires, vehicle maintenance, repair for existing trucks tracks: ATV, RTV, UTV trailers: rehab, hauling ATV, RTV or UTV trucks: standard w/OUT all-wheel drive (not off-road)

OTHER EXPENSES	
Eligible	Ineligible
expenses: <ul style="list-style-type: none"> <li>● incurred during the grant project period</li> <li>● paid from Grantee or Taxpayer ID # (TIN) account</li> </ul> quotes/bids publication notices shipping/freight	donations/in-kind labor expenses: <ul style="list-style-type: none"> <li>● incurred before or after the grant project period</li> <li>● incurred under a contract that creates a real or apparent conflict of interest</li> <li>● receive payment under other federal/state financial assistances programs</li> <li>● paid from an account different from that of the Grantee or Taxpayer ID # (TIN) account</li> </ul> sales tax
